October Message from the Chair

Since July's convention, your Executive Committee has been diligently working to move the party forward.

After seeking volunteers, our membership committee has grown and is presently full. With the vacancy created by myself, Adam Childress has taken on the role of Legislative Chair and we've established committees for communications, fundraising, activism, and a policy manual.

With a new IT Director in place, the party email services have received a long overdue upgrade, which will streamline communications. Our Newsletter Director has similarly hit the ground running and has done an excellent job in the new role. If the opportunity presents itself, I'd encourage you to thank Jami and Donna for their tireless dedication to the party.

In addition to this, I've been responding to media requests, conducting interviews, conversing with potential candidates, and finalizing the transition from the previous board. Our affiliates director, Tim Teagan has overseen the reintegration of three affiliates, each of which are actively holding meetings.

Plans for our National Delegate Selection Convention are underway and we're now seeking volunteers for both our convention and credentialing committees. [For information on how to volunteer, click here.](#)

While the specific date and location are yet to be determined, the board has decided to combine this Convention with the nomination of our candidate for the 35th State Senate District. As a result, the convention will take place in January to ensure it transpires prior to the nomination deadline and it will be held within the 35th State Senate District.

Our next Regular LEC Meeting will be October 12th at 7pm on Zoom. [Click here to join this meeting.](#) All members are welcome to attend.

PARTY OF MICHIGAN

Volunteers Needed for Special January Convention

There will be a special convention for the Libertarian Party of Michigan to be held some time in January 2026. Volunteers are needed as soon as possible to serve on both a Convention Planning Committee and a Credentials Committee for this special convention. Please email leadership@michiganlp.org if you are interested in either committee.

This special January convention will have a dual purpose, as the Executive Committee (LEC) recently voted to combine the selection of national delegates with the candidate nominating convention for the special Senate election in the 35th District.

The nominating convention must legally be held in the 35th District, as delegates from that area will vote for their preferred candidate for Senate. The 35th district includes Midland, Saginaw and Bay City.

The LEC recently interviewed Ali Sledz as a potential candidate. [Click here to see a recording of this interview.](#) Any other residents of the 35th district who are interested in being considered as a candidate for Senate can email leadership@michiganlp.org to explain why they are interested, and how they are qualified.

The second part of the convention is the national delegate selection process. The 2026 Libertarian National Convention will be held In Grand Rapids, Michigan on May 21th-25th. At the January convention, Michigan state delegates will vote on members for represent them at the 2026 national convention.

There will soon be an official call to convention to announce the specific dates and location. Local groups select delegates to vote at the state convention on their behalf. In order to become a voting delegate at a state convention, a person who has never been a member of the Libertarian Party of Michigan must become a member at least 30 days prior to a state convention. Libertarians Interview Potential Senate Candidate for 35th District

Ali Sledz, a potential Libertarian candidate for Michigan's 35th District Senate seat, recently met with the Libertarian Party of Michigan Executive Committee (LEC) to discuss her background and the reasons why she wants to run in the special election that was recently announced by Governor Whitmer.

Ali Sledz's meeting with the LEC was an informational session for both sides. A recording of this special informational meeting can be found by [clicking here](#).

By law, the Libertarian candidate for this state Senate position will be chosen by members of the 35th District at a special convention, which will be scheduled for January. More information about this convention will be coming very soon.

Ali has been a voting Libertarian since 2012. She was active in the party when she lived in Georgia, and helped with the Gary Johnson campaign.

She believes that messaging needs to be more inclusive for people who are mostly libertarian, but may not agree with the party 100%.

Ali has a background in sales, and is skilled at talking to people. As a stay-at-home mom and Master's counseling student at Oakland University, she has listening skills and feels that is important to voters. Her number one issue would be the state budget.

Any other residents of the 35th district who are interested in being considered by the delegates can email leadership@michiganlp.org to explain why they are interested, and how they are qualified.

According to the government website, four Democrats and five Republicans have filed to run in the February primary. [Click here for the complete list of candidates](#). September 30th is the last day for Democrats or Republicans to file. The primary election will take place next year on February 3rd and the election is on May 5th.

Michigan Libertarian Chair Interviewed by Public Radio

Justin Miramonti, chairman of the Libertarian Party of Michigan, was recently interviewed by Central Michigan University Radio Station, part of the National Public Radio Network. [Click here to read the story.](#)

The interview centered around the Libertarian Party's search for a candidate for a special election for state senator in Michigan's 35th district.

"I think it's important for voters to have as many choices to run, but certainly a viable third choice is essential when two parties control most of the narrative in this country," Miramonti told the press.

According to Miramonti, their candidate will advocate for non-aggression, minimal government, and maximum freedom-tenets of the Libertarian Party.

The radio station plans to cover the special election in detail, and will be involving the Libertarian Party.

The candidate for the Libertarian Party will be selected by residents of the district at an upcoming special convention to be scheduled for January.

Recently the Libertarian Party of Michigan interviewed Ali Sledz, a resident of the district who is very interested running for the position. A recording of this special informational meeting can be found by [clicking here.](#)

Any other residents of the 35th district who are interested in being considered by the delegates can email leadership@michiganlp.org to explain why they are interested, and how they are qualified.

Genesee County Reaffiliated After Party Dispute

Genesee County residents have a new option to join a local Libertarian group, as the county was “reaffiliated” at the September 14th meeting of the Libertarian Party of Michigan Executive Committee (LEC).

The board’s vote was 9-3 in favor of welcoming Genesee County back into the Libertarian Party of Michigan. [Click here](#) for a recording of the LEC meeting.

Genesee County joins Macomb County and West Michigan in being officially reinstated by the newly elected LEC. Due to a party dispute, all three groups were disaffiliated in recent years by previous state leadership.
